

src/proxy/include/toserver.h

```
graph BT; A[src/proxy/include/init.h] --> B[src/proxy/include/toserver.h]
```

The diagram illustrates an include relationship between two header files. At the bottom is a white box with a black border containing the text 'src/proxy/include/init.h'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a gray box with a black border above it. The gray box contains the text 'src/proxy/include/toserver.h'.
