

src/hashtable/hash.c

```
graph TD; A[src/hashtable/hash.c] --> B[hash.h]; A --> C[stdlib.h];
```

The diagram illustrates a C source file, `src/hashtable/hash.c`, which includes two header files. Two blue arrows originate from the bottom edge of the top box and point to the top edge of the two bottom boxes, indicating the `#include` statements within the source file.

hash.h

stdlib.h
